

Parents and/or Guardians,

Attached is pertinent information on changes in breakfast and lunch for the 22-23 school year. The federal government will no longer be providing funding to school lunch programs to allow them to be free. I strongly urge all of you to complete the free and reduced lunch application to see what you may qualify for. Additionally, completion of this application assists our school with funding for our Title I program. If you have any questions please don't hesitate to contact me.
