

September 3, 2021

Greetings from Southeast Technical College!

We kicked off our Fall 2021 semester on August 23! We are eager to partner with counselors and high school teaching staff to provide technical college and career exploration opportunities for your students this year.

CAMPUS VISIT DAYS

We are hosting four **Campus Visit Days** on Oct. 15, Nov. 5, Feb. 4 and March 4. These events are designed for juniors and seniors who are interested in attending Southeast Tech soon.

- Students may register online at <https://southeasttech.edu>.

CAREER EXPLORATION EVENTS

We are hosting two **Career Exploration Events** (camps) on Dec. 15 and May 11. Designed for all high school students, grades 9–12, these events allow students to explore an Industry versus one specific major. These two events are ideal for school districts to send larger groups of students to accommodate multiple interests in one day! Students will all start and end at the same time and location, but they will break up into industry areas for exploration sessions.

- Students may register individually online at <https://southeasttech.edu>.
- Counselor/teachers should contact the Admissions Office to schedule a group of students.

ADDITIONAL OPPORTUNITIES

- **College Fairs** – Our Admission Reps will see you at local and regional college fairs.
- **High School Visits** – Our Reps are excited to visit with you and your students at your school. They will be in touch with you very soon to plan for this Fall. If necessary for your district, we can also schedule a virtual visit. Please contact us directly if you want to schedule a date now.
- **Dual Credit Registration begins Nov. 1**
 - \$48.33 per credit hour
 - Students may take online or on-campus courses.
 - If your school is located within an hour of Sioux Falls, our faculty may be able to teach a course at your school.
 - Qualifying students may enroll at Southeast Tech to simultaneously earn credits for both their high school diploma and Southeast Tech certificate, diploma or degree.
- **Scholarships**
 - The Build Dakota Scholarship Application will be available Jan. 1–March 31.
 - To qualify, students must be accepted into an eligible program.
 - Visit our [website](#) for more information. STC Scholarships are also available.

We are ready to partner with your students! Please share this information with your school administration and faculty. Contact me or visit with our Admission Reps anytime to schedule opportunities for your students.
