"To Build Knowledge and Skills for Success Today and Tomorrow"

January Newsletter

It's been a strange year, but I'm so appreciative of our staff, students, and families. It's because of everybody we've been able to have such a great school year. We look forward to finishing our year on a strong note.

Our parent-teacher conferences will be held the week of Feb. 22nd. These conferences are a wonderful opportunity to discuss your child's successes and challenges. Please arrange a time and method for this conference with your child's teacher.

As temperatures get cooler, please send winter clothes with your child. If the wind chill is too cold, we bring students inside for recess, but most of the time they have recess outdoors. Please help them dress accordingly.

Report cards will be sent home on March 5th, the end of the trimester. As always, if you have any questions or concerns, please reach out to me using the contact information listed below.
