LIVING QUARTERS FOR RURAL TEACHERS

Mobile homes may be provided at remote locations for teachers in the District.

Teachers occupying District mobile homes will be required to:

1. Pay monthly utilities, i.e., electricity, gas or oil, and telephone if a private line is desired, and use a credit card for all long distance calls made on school phones.
2. Notify service companies to connect and disconnect utilities.
3. Pay a rental charge of \$50 per month.
4. Pay a \$50 deposit. This deposit will be kept until the mobile home is vacated. At that time an assessment will be made for damages and cleanliness to the mobile home and the deposit adjusted and returned. If no damage is incurred and the mobile home left in the same condition as when the occupant moved in, the deposit will be returned in its entirety.
5. Obtain approval of the rural principal for keeping pets.
