(b) Except as otherwise provided in this subsection, the Certificates shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Certificates. References in this Section to a Certificate or the Certificates shall be construed to mean the Certificate or the Certificates that are held under the Book-Entry System. One Certificate for each maturity shall be issued to DTC and immobilized in its custody. Unless otherwise provided herein, a Book-Entry System shall be employed, evidencing ownership of the Certificates in authorized denominations, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Each DTC Participant shall be credited in the records of DTC with the amount of such DTC Participant's interest in the Certificates. Beneficial ownership interests in the Certificates may be purchased by or through DTC Participants. The holders of these beneficial ownership interests are herein referred to as the "Beneficial Owners." The Beneficial Owners shall not receive the Certificates representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its Certificates. Transfers of ownership interests in the Certificates shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE CERTIFICATES, THE REGISTRATION AGENT SHALL TREAT CEDE & CO., AS THE ONLY HOLDER OF THE CERTIFICATES FOR ALL PURPOSES UNDER THIS RESOLUTION, INCLUDING RECEIPT OF ALL PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE CERTIFICATES, RECEIPT OF NOTICES, VOTING AND REQUESTING OR DIRECTING THE REGISTRATION AGENT TO TAKE OR NOT TO TAKE, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS CERTIFICATE RESOLUTION.

Payments of principal, interest, and redemption premium, if any, with respect to the Certificates, so long as DTC is the only owner of the Certificates, shall be paid by the Registration Agent directly to DTC or its nominee, Cede & Co., as provided in the Letter of Representation. DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. Neither the School District nor the Registration Agent shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

In the event that (1) DTC determines not to continue to act as securities depository for the Certificates or (2) the School District determines that the continuation of the Book-Entry System of evidence and transfer of ownership of the Certificates would adversely affect their interests or the interests of the Beneficial Owners of the Certificates, the School District may discontinue the Book-Entry System with DTC. If the School District fails to identify another qualified securities depository to replace DTC, the School District shall cause the Registration Agent to authenticate and deliver replacement Certificates in the form of fully registered Certificates to each Beneficial Owner.

NEITHER THE SCHOOL DISTRICT NOR THE REGISTRATION AGENT SHALL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DTC PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE CERTIFICATES; (ii) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (iii) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE CERTIFICATES; (iv) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS CERTIFICATE RESOLUTION TO BE GIVEN TO BENEFICIAL OWNERS, (v) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE CERTIFICATES; OR (vi) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, OR ITS NOMINEE, CEDE & CO., AS OWNER.

SO LONG AS A BOOK-ENTRY SYSTEM OF EVIDENCE OF TRANSFER OF OWNERSHIP OF ALL THE CERTIFICATES IS MAINTAINED IN ACCORDANCE HEREWITH, THE PROVISIONS OF THIS RESOLUTION RELATING TO THE DELIVERY OF PHYSICAL BOND CERTIFICATES SHALL BE DEEMED INAPPLICABLE OR BE OTHERWISE SO CONSTRUED AS TO GIVE FULL EFFECT TO SUCH BOOK-ENTRY SYSTEM. IF THE PROVISIONS OF THE LETTER OF REPRESENTATION SHALL BE IN CONFLICT WITH THE PROVISIONS OF THIS RESOLUTION AS SAID PROVISIONS RELATE TO DTC, THE PROVISIONS OF THE LETTER OF REPRESENTATION SHALL CONTROL.

Section 4.6. Mutilated, Lost, Stolen, or Destroyed Certificates.

(a) In the event any Certificate is mutilated, lost, stolen, or destroyed, the School District may execute, and upon the request of an Authorized Officer of the School District the Registration Agent shall authenticate and deliver, a new Certificate of like maturity, interest rate, and principal amount, and bearing the same number (but with appropriate designation indicating that such new Certificate is a replacement Certificate) as the mutilated, destroyed, lost, or stolen Certificate, in exchange for the mutilated Certificate or in substitution for the Certificate so destroyed, lost, or stolen. In every case of exchange or substitution, the Certificateholder shall furnish to the School District and the Registration Agent: (1) such security or indemnity as may be required by them to save each of them harmless from all risks, however remote; and, (2) evidence to their satisfaction of the mutilation, destruction, loss, or theft of the subject Certificate and the ownership thereof. Upon the issuance of any Certificate upon such exchange or substitution, the School District and the Registration Agent may require the Owner thereof to pay a sum sufficient to defray any tax or other governmental charge that may be imposed in relation thereto and any other expenses, including printing costs and counsel fees, of the School District and the Registration Agent. In the event any Certificate which has matured or is about to mature shall become mutilated or be destroyed, lost, or stolen, the School District may, instead of issuing a Certificate in exchange or substitution therefor, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Certificate) if the Owner thereof shall pay all costs and expenses, including attorney's fees, incurred by the School District

(b) Every Certificate issued pursuant to the provisions of this section shall constitute an additional contractual obligation of the School District (whether or not the destroyed, lost, or stolen Certificate shall be found at any time to be enforceable) and shall be entitled to all the benefits of this Certificate Resolution equally and proportionately with any and all other Certificates duly issued under this Certificate Resolution.

(c) All Certificates shall be held and owned upon the express condition that the provisions of this Section are exclusive, with respect to the replacement or payment of mutilated, destroyed, lost, or stolen Certificates, and, to the maximum extent legally permissible, shall preclude all other rights or remedies, notwithstanding any law or statute now existing or hereafter enacted to the contrary.

Section 4.7. Authentication.

The Registration Agent is hereby authorized to authenticate and deliver the Certificates to the Underwriter or as it may designate upon receipt by the School District of the proceeds of the sale thereof, to authenticate and deliver Certificates in exchange for Certificates of the same principal amount delivered for transfer upon receipt of the Certificate(s) to be transferred in proper form with proper documentation as hereinabove described. The Certificates shall not be valid for any purpose unless authenticated by the Registration Agent by the manual signature of an officer thereof on the certificate set forth herein on the Certificate form.

Section 4.8. Qualification for DTC.

The Registration Agent is hereby authorized to take such actions as may be necessary from time to time to qualify and maintain the Certificates for deposit with DTC, including but not limited to, wire transfers of interest and principal payments with respect to the Certificates, utilization of electronic book entry data received from DTC in place of actual delivery of Certificates and provision of notices with respect to Certificates registered by the DTC (or any of its designees identified to the Registration Agent) by overnight delivery, courier service, telegram, telecopy or other similar means of communication. No such arrangements with DTC may adversely affect the interest of any of the Owners of the Certificates, provided, however, that the Registration Agent shall not be liable with respect to any such arrangements it may make pursuant to this section.

ARTICLE VIII
ADDITIONAL CERTIFICATES

This Resolution authorizing the issuance of the Certificates permits the issuance of additional capital outlay certificates payable from the Capital Outlay Fund of the District, provided that the School Board first determines that a Capital Outlay Fund tax levy of not more than \$3 per \$1,000 of assessed valuation will afford debt service coverage for all outstanding Capital Outlay Certificates, plus the additional capital outlay certificates proposed to be issued, of at least 1.25 times. The property tax levy for any such additional certificates, together with the levy for then all outstanding Capital Outlay Certificates described herein and any other Capital Outlay Fund purposes, would be limited to \$3 per \$1,000 in total. Such additional certificates would have a

parity claim with all the then outstanding Capital Outlay Certificates against property tax revenues received into the Capital Outlay Fund of the District.

ARTICLE IX
SALE OF CERTIFICATES AND DEPOSIT OF PROCEEDS

Section 9.1. Sale of Certificates.

The Certificates shall be sold to the Underwriter at a price to be set forth in the Certificate Purchase Agreement. The President and the Business Manager, or either of them, in consultation with the Underwriter, are authorized to make such changes in the structuring of the terms and sale of the Certificates as they shall deem necessary to maximize the savings from the refunding of the Refunded Certificates. In this regard, they, or either of them, in consultation with the Underwriter, are authorized to cause to be sold an aggregate principal amount of the Certificates less than that authorized herein, cause fewer than all the Refunded Certificates to be refunded, to sell any or all of the Certificates as term Certificates with annual mandatory redemption requirements which will produce substantially the same annual principal reductions as authorized herein, to change the dated date of the Certificates to a date other than Closing Date, and to adjust principal and interest payment dates and redemption dates of the Certificates. The form of the Certificate set forth in Exhibit A attached hereto shall be conformed to reflect any changes, if any, as hereinbefore mentioned. The President and the Business Manager, or either of them, are hereby authorized to execute and the Business Manager is authorized to attest the Purchase Agreement with the Underwriter providing for the purchase and sale of the Certificates. The Purchase Agreement shall be in form and content acceptable to the President and Business Manager, the execution thereof by either of them to constitute conclusive evidence thereof, and approved as to form and legality by the District's attorney; provided the Purchase Agreement effects the sale of the Certificates in accordance with the provisions of this Resolution, and is not inconsistent with the terms hereof. The President and the Business Manager are authorized to cause the Certificates to be authenticated and delivered by the Registration Agent to the Underwriter and to execute, publish, and deliver all certificates and documents, including the Official Statement, and closing certificates and documents, as they shall deem necessary in connection with the sale and delivery of the Certificates.

Section 9.2. Official Statement.

The President, Business Manager, and the Underwriter are hereby authorized and directed to provide for the preparation and distribution of a Preliminary Official Statement describing the Certificates (the "Preliminary Official Statement"). After the Certificates have been sold, the President and Business Manager shall make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this Resolution as are necessary or desirable to complete it as a final Official Statement for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission.

To comply with paragraph (b) (3) of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934 (the "Rule") and with Rule G-32 and all other applicable rules of the Municipal Securities Rulemaking Board, the School District agrees to deliver to the Underwriter, the Official Statement (which shall be a final official statement, as such term is defined in the Rule, as of its date) in an electronic format as prescribed by the MSRB.

Section 9.3. Disposition of Certificate Proceeds.

The proceeds of the sale of the Certificates shall be disbursed as follows:

(a) An amount which, together with other legally available funds of the School District, if any, and investment earnings thereon and on said Certificate proceeds, will be sufficient to pay principal of and premium on the Refunded Certificates to their earliest optional redemption dates and interest on the Certificates to and including July 17, 2018 shall be transferred to the Escrow Agent under the Escrow Agreement to be deposited to the escrow fund established thereunder to be held and applied as provided therein;

(b) The remaining proceeds of the sale of the Certificates shall be used to pay the costs of issuance and sale of the Certificates including necessary legal, accounting and fiscal expenses, printing, engraving, advertising and similar expenses, administrative and clerical costs, rating agency fees, Registration Agent fees, and other necessary miscellaneous expenses incurred in connection with the issuance and sale of the Certificates. Any funds remaining after payment of said expenses shall be used to pay interest on the Certificates on the first interest payment date following delivery of the Certificates.

Section 9.4. Tax Matters.

(a) The School District covenants and agrees with the registered owners from time to time of the Certificates that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Certificates to become includable in gross income for federal income tax purposes under the Code and applicable Treasury Regulations (the "Regulations"), and covenants to take any and all actions within its powers to ensure that the basic interest on the Certificates will not become includable in gross income for federal income tax purposes under the Code and the Regulations.

(b) The President and the Business Manager, being the officers of the District charged with the responsibility for issuing the Certificates pursuant to this Resolution are hereby authorized and directed to execute and deliver to the Underwriter thereof a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating that on the basis of facts, estimates and circumstances in existence on the date of issue and delivery of the Certificates, it is reasonably expected that the proceeds of the Certificates will be used in a manner that would not cause the Certificates to be "arbitrage Certificates" within the meaning of Section 148 of the Code and the Regulations.

(c) The District further certifies and covenants as follows with respect to the requirements of Section 148 of the Code that the District reasonably expects, as of the Certificate Date, that the aggregate face amount of all tax exempt Certificates (other than private activity Certificates) issued by it and all subordinate entities during the calendar year of 2015 will not exceed \$15,000,000.

(d) The District shall file with the Secretary of the Treasury a statement concerning the Certificates containing the information required by Section 149(e) of the Code.

(e) Pursuant to Section 265(b)(3)(B)(ii) of the Code, the District hereby designates the Certificates as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. The District hereby represents that it does not anticipate that obligations bearing interest not includable in gross income for purposes of federal income taxation under Section 103 of the Code (including refunding obligations as provided in Section 265 (b) (3) of the Code and including "qualified 501 (c) (3) Certificates" but excluding other "private activity Certificates," as defined in Sections 141(a) and 145(a) of the Code) will be issued by or on behalf of the District and all "subordinate entities" of the District in 2015 in an amount greater than \$10,000,000

Whereupon, the Registration Agent shall hold such monies, without liability for interest thereon, for the benefit of the Owner of such Certificate who shall thereafter be restricted exclusively to such monies for any claim under the Resolution or on, or with respect to, said Certificate.

(b) If any Certificate shall not be presented for payment within a period of five years following the date when such Certificate becomes due, whether by maturity or otherwise, the Registration Agent shall, subject to the provisions of any applicable escheat or other similar law, pay to the School District any monies then held by the Registration Agent for the payment of such Certificate and such Certificate shall (subject to the defense of any applicable statute of limitation) thereafter constitute an unsecured obligation of the School District.

Section 11.2. Payments Due on Saturdays, Sundays, and Holidays.

In any case where the date of maturity or interest on or principal of any Certificate, or the date fixed for redemption of any Certificate, shall be a Saturday or Sunday or shall be, at the place designated for payment, a legal holiday or a day on which banking institutions similar to the Registration Agent are authorized by law to close, then the payment of the interest on, or the principal, or the redemption price of, such Certificate need not be made on such date but must be made on the next succeeding day not a Saturday, Sunday, or a legal holiday or a day upon which banking institutions similar to the Registration Agent are authorized by law to close, with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after such date.

Section 11.3. Miscellaneous Acts.

The appropriate officers of the School District are hereby authorized, empowered, and directed to do any and all such acts and things, and to execute, acknowledge, deliver, and, if applicable file or record, or cause to be filed or recorded, in any appropriate public offices, all such documents, instruments, and certifications, in addition to those acts, things, documents, instruments, and certifications hereinbefore authorized and approved, as may, in their discretion, be necessary or desirable to implement or comply with the intent of the Certificate Resolution, or any of the documents herein authorized and approved, or for the authorization, issuance, and delivery by the School District of the Certificates.

Section 11.4. Amendment.

The School Board is hereby authorized to make such amendments to the Certificate Resolution as will not impair the rights of the Certificateholders.

Section 11.5. No Recourse Under Certificate Resolution or on Certificates.

All stipulations, promises, agreements, and obligations of the School District contained in this Resolution shall be deemed to be the stipulations, promises, agreements, and obligations of the School District and not of any officer, director, or employee of the School District in his or her individual capacity, and no recourse shall be had for the payment of the principal of or interest on the Certificates or for any claim based thereon or on this Resolution against any officer, director, or employee of the School District or against any official or individual executing the Certificates.

Section 11.6. Partial Invalidity.

If any one or more of the provisions of this Certificate Resolution, or of any exhibit or attachment thereto, shall be held invalid, illegal, or unenforceable in any respect, by final decree of any court of lawful jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, or of any exhibit or attachment thereto, but this Certificate Resolution, and the exhibits and attachments thereto, shall be construed the same as if such invalid, illegal, or unenforceable provision had never been contained herein, or therein, as the case may be.

Section 11.7. Continuing Disclosure.

The School District hereby covenants and agrees that it will provide financial information and material event notices as required by Rule 15c2-12 of the Securities Exchange Commission for the Certificates. The President is authorized to execute at the Closing of the sale of the Certificates, an agreement for the benefit of and enforceable by the owners of the Certificates specifying the details of the financial information and material event notices to be provided and its obligations relating thereto. Failure of the School District to comply with the undertaking herein described and to be detailed in said closing agreement, shall not be a default hereunder, but any such failure shall entitle the owner or owners of any of the Certificates to take such actions and to initiate such proceedings as shall be necessary and appropriate to cause the School District to comply with its undertaking as set forth herein and in said agreement, including the remedies of mandamus and specific performance.

Bond Opinion

Meade School District 46-1
Lawrence and Meade Counties, South Dakota
\$5,300,000 General Obligation Limited Tax Capital Outlay Refunding Certificates (Crossover Advance Refunding), Series 2015

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by the Meade School District 46-1, Lawrence and Meade Counties, South Dakota (the "Issuer") of \$5,300,000 General Obligation Limited Tax Capital Outlay Refunding Certificates (Crossover Advance Refunding), Series 2015 dated Meade School District 46-1, (the "Certificates"). We have examined such certified proceedings and other papers as we deem necessary to render this opinion.

We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Official Statement or other offering material relating to the Certificates and we express no opinion relating thereto.

Meade School District 46-1
Lawrence and Meade Counties, South Dakota
General Obligation Limited Tax Capital Outlay Refunding Certificates
(Crossover Advance Refunding), Series 2015

As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials furnished to us, without undertaking to verify such facts by independent investigation.

Based upon the foregoing, we are of the opinion that, under existing law:

1. The Issuer is duly created and validly existing as a body corporate and politic and public instrumentality of the State of South Dakota with the corporate power to adopt and perform the Resolution and issue the Certificates.

2. The Resolution has been duly adopted by the Issuer on August 10, 2015 and constitutes a valid and binding obligation of the Issuer enforceable upon the Issuer.

3. The Resolution levies ad valorem taxes not in excess of three dollars per thousand annually upon all of the taxable property in the District, for the capital outlay fund of the District, from which fund, said Certificates and interest thereon are payable.

4. The Certificates have been duly authorized, executed and delivered by the Issuer and are valid and binding special obligations of the Issuer, payable solely from the sources provided therefore in the Resolution.

5. The interest on the Certificates is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; it should be noted, however, that for the purpose of computing the alternative minimum tax imposed on certain corporations as defined for federal income tax purposes, such interest is taken into account in determining adjusted current earnings. The opinions set forth in the preceding sentence are subject to the condition that the Issuer comply with all requirements of the Internal Revenue Code of 1986 as amended, that must be satisfied subsequent to the issuance of the Certificates in order that interest thereon be, or continue to be, excluded from gross income for federal income tax purposes. The Issuer has covenanted to comply with each such requirement. Failure to comply with certain of such requirements may cause the inclusion of interest on the Certificates in gross income for federal income tax purposes to be retroactive to the date of issuance of the Certificates. We express no opinion regarding other federal tax consequences arising with respect to the Certificates.

6. Under existing law, the interest on the Certificates is includible in "taxable income" for the State of South Dakota income tax purposes when the recipient is a "financial institution" as defined by Chapter 10-43, South Dakota Codified Laws, according to present state laws, regulations and decisions. We express no further opinions regarding other South Dakota tax consequences arising with regard to the Certificates.

7. The Certificates are qualified tax-exempt obligations within the meaning of Section 265(b)(3) of the Code.

It is to be understood that the rights of the holders of the Certificates and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of equity and subject to regulatory requirements under the laws of the United States and of the State of South Dakota.

ATTACHMENT TO RESOLUTION _____

**Post-Issuance Compliance Policy for Tax-Exempt and
Tax-Advantaged Obligations and Continuing Disclosure**

Definitions

“Compliance Officer” means the Business Manager of the Issuer.

“Issuer” means the Meade School District 46-1.

Statement of Purpose

This Post-Issuance Compliance Policy (the “Policy”) sets forth specific policies of the Issuer designed to monitor post-issuance compliance:

- (i) with applicable provisions of the Internal Revenue Code of 1986, as amended (the “Code”), and regulations promulgated thereunder (“Treasury Regulations”) for obligations issued by the Issuer on tax-exempt or tax-advantaged basis (“Obligations”); and
- (ii) with applicable requirements set forth in certificates and agreement(s) (“Continuing Disclosure Agreements”) providing for ongoing disclosure in connection with the offering of obligations to investors (“Offerings”), for obligations (whether or not tax- exempt I tax-advantaged) subject to the continuing disclosure requirements of Rule 15c2-12(b)(5) (the “Rule”) promulgated by the Securities and Exchange Commission (“SEC”) under the Securities Exchange Act of 1934.

This Policy documents practices and describes various procedures and systems designed to identify on a timely basis facts relevant to demonstrating compliance with the requirements that must be satisfied subsequent to the issuance of Obligations in order that the interest on such Obligations continue to be eligible to be excluded from gross income for federal income tax purposes or that the Obligations continue to receive tax-advantaged treatment. The federal tax law requirements applicable to each particular issue of Obligations will be detailed in the arbitrage or tax certificate prepared by bond counsel and signed by officials of the Issuer and the post-closing compliance checklist provided by bond counsel with respect to that issue. This Policy establishes a permanent, ongoing structure of practices and procedures that will facilitate compliance with the requirements for individual borrowings.

This Policy similarly documents practices and describes various procedures and systems designed to ensure compliance with Continuing Disclosure Agreements, by preparing and disseminated related reports and information and reporting “material events” for the benefit of the holders of the Issuer's obligations and to assist the Participating Underwriters (within the meaning of the Rule) in complying with the Rule.

The Issuer recognizes that compliance with pertinent law is an on-going process, necessary during the entire term of the obligations, and is an integral component of the Issuer's debt management. Accordingly, the analysis of those facts and implementation of the Policy will require on-going monitoring and consultation with bond counsel and the Issuer's accountants and advisors.

General Policies and Procedures

The following policies relate to procedures and systems for monitoring post-issuance compliance generally.

- A. The Compliance Officer shall be responsible for monitoring post-issuance compliance issues.
- B. The Compliance Officer will coordinate procedures for record retention and review of such records.
- C. All documents and other records relating to Obligations issued by the Issuer shall be maintained by or at the direction of the Compliance Officer. In maintaining such documents and records, the Compliance Officer will comply with applicable Internal Revenue Service ("IRS") requirements, such as those contained in Revenue Procedure 97-22.
- D. The Compliance Officer shall be aware of options for voluntary corrections for failure to comply with post-issuance compliance requirements (such as remedial actions under Section 1.141-12 of the Regulations and the Treasury's Tax-Exempt Bonds Voluntary Closing Agreement Program) and take such corrective action when necessary and appropriate.
- E. The Compliance Officer will review post-issuance compliance procedures and systems on a periodic basis, but not less than annually.

Issuance of Obligations - Documents and Records

With respect to each issue of Obligations, the Compliance Officer will:

- A. Obtain and store a closing binder and/or CD or other electronic copy of the relevant and customary transaction documents (the "Transcript").
- B. Confirm that bond counsel has filed the applicable information report (e.g., Form 8038, Form 8038-G, Form 8038-CP) for such issue with the IRS on a timely basis.
- C. Coordinate receipt and retention of relevant books and records with respect to the investment and expenditure of the proceeds of such Obligations with other applicable staff members of the Issuer.

Arbitrage

The following policies relate to the monitoring and calculating of arbitrage and compliance with specific arbitrage rules and regulations.

The Compliance Officer will:

- A. Confirm that a certification of the initial offering prices of the Obligations with such supporting data, if any, required by bond counsel, is included in the Transcript.
- B. Confirm that a computation of the yield on such issue from the Issuer's financial advisor or bond counsel (or an outside arbitrage rebate specialist) is contained in the Transcript.
- C. Maintain a system for tracking investment earnings on the proceeds of the Obligations.
- D. Coordinate the tracking of expenditures, including the expenditure of any investment earnings. If the project(s) to be financed with the proceeds of the Obligations will be funded with multiple sources of funds, confirm that the Issuer has adopted an accounting methodology that maintains each source of financing separately and monitors the actual expenditure of proceeds of the Obligations.
- E. Maintain a procedure for the allocation of proceeds of the issue and investment earnings to expenditures, including the reimbursement of pre-issuance expenditures. This procedure shall include an examination of the expenditures made with proceeds of the Obligations within 18 months after each project financed by the Obligations is placed in service and, if necessary, a reallocation of expenditures in accordance with Section 1.148-6(d) of the Treasury Regulations.
- F. Monitor compliance with the applicable "temporary period" (as defined in the Code and Treasury Regulations) exceptions for the expenditure of proceeds of the issue, and provide for yield restriction on the investment of such proceeds if such exceptions are not satisfied.
- G. Ensure that investments acquired with proceeds of such issue are purchased at fair market value. In determining whether an investment is purchased at fair market value, any applicable Treasury Regulation safe harbor may be used.
- H. Avoid formal or informal creation of funds reasonably expected to be used to pay debt service on such issue without determining in advance whether such funds must be invested at a restricted yield.

(Crossover Advance Refunding), Series 2015

- I. Consult with bond counsel prior to engaging in any post-issuance credit enhancement transactions or investments in guaranteed investment contracts.
- J. Identify situations in which compliance with applicable yield restrictions depends upon later investments and monitor implementation of any such restrictions.
- K. Monitor compliance with six-month, 18-month or 2-year spending exceptions to the rebate requirement, as applicable.
- L. Procure a timely computation of any rebate liability and, if rebate is due, to file a Form 8038-T and to arrange for payment of such rebate liability.
- M. Arrange for timely computation and payment of “yield reduction payments” (as such term is defined in the Code and Treasury Regulations), if applicable.

Private Activity Concerns

The following polices relate to the monitoring and tracking of private uses and private payments with respect to facilities financed with the Obligations.

The Compliance Officer will:

- A. Maintain records determining and tracking facilities financed with specific Obligations and the amount of proceeds spent on each facility.
- B. Maintain records, which should be consistent with those used for arbitrage purposes, to allocate the proceeds of an issue and investment earnings to expenditures, including the reimbursement of pre-issuance expenditures.
- C. Maintain records allocating to a project financed with Obligations any funds from other sources that will be used for otherwise non-qualifying costs.
- D. Monitor the expenditure of proceeds of an issue and investment earnings for qualifying costs.
- E. Monitor private use of financed facilities to ensure compliance with applicable limitations on such use. Examples of potential private use include:
 - 1. Sale of the facilities, including sale of capacity rights;
 - 2. Lease or sub-lease of the facilities (including leases, easements or use arrangements for areas outside the four walls, e.g., hosting of cell phone towers) or leasehold improvement contracts;

Meade School District 46-1
Lawrence and Meade Counties, South Dakota
General Obligation Limited Tax Capital Outlay Refunding Certificates
(Crossover Advance Refunding), Series 2015

3. Management contracts (in which the Issuer authorizes a third party to operate a facility, e.g., cafeteria) and research contracts;
4. Preference arrangements (in which the Issuer permits a third party preference, such as parking in a public parking lot);
5. Joint-ventures, limited liability companies or partnership arrangements;
6. Output contracts or other contracts for use of utility facilities (including contracts with large utility users);
7. Development agreements which provide for guaranteed payments or property values from a developer;
8. Grants or loans made to private entities, including special assessment agreements; and
9. Naming rights arrangements.

Monitoring of private use should include the following:

1. Procedures to review the amount of existing private use on a periodic basis; and
2. Procedures for identifying in advance any new sale, lease or license, management contract, sponsored research arrangement, output or utility contract, development agreement or other arrangement involving private use of financed facilities and for obtaining copies of any sale agreement, lease, license, management contract, research arrangement or other arrangement for review by bond counsel.

If the Compliance Officer identifies private use of facilities financed with tax-exempt or tax-advantaged debt, the Compliance Officer will consult with the Issuer's bond counsel to determine whether private use will adversely affect the tax status of the issue and if so, what remedial action is appropriate. The Compliance Officer should retain all documents related to any of the above potential private uses.

Qualified Tax-Exempt Obligations

If the Issuer issues qualified tax-exempt obligations in any year, the Compliance Officer shall monitor all tax-exempt financings (including lease purchase arrangements and other similar financing arrangements and conduit financings on behalf of 501(c)(3) organizations) to assure that the \$10,000,000 "small issuer" limit is not exceeded.

Federal Subsidy Payments

The Compliance Officer shall be responsible for the calculation of the amount of any federal subsidy payments and the timely preparation and submission of the applicable tax form and application for federal subsidy payments for tax-advantaged obligations such as Build America Bonds, New Clean Renewable Energy Bonds and Qualified School Construction Bonds.

Reissuance

The following policies relate to compliance with rules and regulations regarding the reissuance of Obligations for federal law purposes.

The Compliance Officer will identify and consult with bond counsel regarding any post-issuance change to any terms of an issue of Obligations which could potentially be treated as a reissuance for federal tax purposes.

Record Retention

The following policies relate to retention of records relating to the Obligations issued. The Compliance Officer will:

- A. Coordinate with staff regarding the records to be maintained by the Issuer to establish and ensure that an issue remains in compliance with applicable federal tax requirements for the life of such issue.
- B. Coordinate with staff to comply with provisions imposing specific recordkeeping requirements and cause compliance with such provisions, where applicable.
- C. Coordinate with staff to generally maintain the following:
 1. The Transcript relating to the transaction (including any arbitrage or other tax certificate and the bond counsel opinion);
 2. Documentation evidencing expenditure of proceeds of the issue;
 3. Documentation regarding the types of facilities financed with the proceeds of an issue, including, but not limited to, whether such facilities are land, buildings or equipment, economic life calculations and information regarding depreciation.
 4. Documentation evidencing use of financed property by public and private entities (e.g., copies of leases, management contracts, utility user agreements, developer agreements and research agreements);

(Crossover Advance Refunding), Series 2015

5. Documentation evidencing all sources of payment or security for the issue; and
 6. Documentation pertaining to any investment of proceeds of the issue (including the purchase and sale of securities, SLGs subscriptions, yield calculations for each class of investments, actual investment income received by the investment of proceeds, guaranteed investment contracts, and rebate calculations).
- D. Coordinate the retention of all records in a manner that ensures their complete access to the IRS.
- E. Keep all material records for so long as the issue is outstanding (including any refunding), plus seven years.

Continuing Disclosure

Under the provisions of SEC Rule 15c2-12 (the “Rule”), Participating Underwriters (as defined in the Rule) are required to determine that issuers (such as the Issuer) have entered into written Continuing Disclosure Agreements to make ongoing disclosure in connection with Offerings subject to the Rule. Unless the Issuer is exempt from compliance with the Rule or the continuing disclosure provisions of the Rule as a result of certain permitted exemptions, the Transcript for each issue of related obligations will include a Continuing Disclosure Agreement executed by the Issuer.

In order to monitor compliance by the Issuer with its Continuing Disclosure Agreements, the Compliance Officer will, if and as required by such Continuing Disclosure Agreements:

- A. Assist in the preparation or review of annual reports ("Annual Reports") in the form required by the related Continuing Disclosure Agreements.
- B. Maintain a calendar, with appropriate reminder notifications, listing the filing due dates relating to dissemination of Annual Reports, which annual due date is generally expressed as a date within a certain number of days (e.g., 365 days) following the end of the Issuer's fiscal year (the “Annual Report Due Date”), as provided in the related Continuing Disclosure Agreements.
- C. Ensure timely dissemination of the Annual Report by the Annual Report Due Date, in the format and manner provided in the related Continuing Disclosure Agreements, which may include transmitting such filing to the Municipal Securities Rulemaking Board (“MSRB”) through the Electronic Municipal Market Access (“EMMA”) System at www.emma.msrb.org in the format prescribed by the MSRB.
- D. Monitor the occurrence of any “Material Event” (as defined in the Continuing Disclosure Agreements) and timely file notice of the occurrence of any such

Material Event in the manner provided under the Continuing Disclosure Agreements. To be timely filed, such notice must be transmitted within 10 days (or such other time period as set forth in the Continuing Disclosure Agreements) of the occurrence of such Material Event.

- E. Ensure timely dissemination of notice of any failure to perform under a Continuing Disclosure Agreement, if and as required by the Continuing Disclosure Agreement.
- F. Respond to requests, or ensure that the Issuer Contact (as defined in the Continuing Disclosure Agreement) responds to requests, for information under the Rule, as provided in the Continuing Disclosure Agreements.
- G. Monitor the performance of any dissemination agent(s) engaged by the Issuer to assist in the performance of any obligation under the Continuing Disclosure Agreements.
